

CKSS Make a Difference in INDIA

March Break Trip 2018

Change your life. Change the lives of others. Come with us to India!

CKSS has a rich tradition of providing students with the opportunity to travel every March Break to developing nations to work on service learning projects. On these trips, students are immersed in different cultures and they visit exotic locations & incredible landmarks. Students earn community service hours working with non-profit organizations and alongside community members to make a difference. Next March we will be travelling to India!

Trip highlights include:

- Visiting the **Taj Mahal**, the **Gandhi Memorial** and the **Red Fort**.
- Guided sightseeing tours in **Agra, New Delhi and Dharamsala**
- Visiting the **Dalai Lama's Tea Gardens & the Dalai Lama's Temple**
- Working on a meaningful **community development project** in Dharamsala, the home of the Dalai Lama and a large Tibetan refugee community, and volunteering in a local school or monastery.
